

BYC SAIL TRAINING PROGRAM

Date: May 25, 2010
To: BYC Membership
From: Gus Kreuzkamp; STP Chairman
Re: Member-provided OPTI sailboat discount

To Whom It May Concern:

BYC will discount our Opti classes by 10% of the registration fee provided the following:

- Child must be enrolled in a full-day optimist class (OPTI Race is NOT eligible) in STP.
- The member seeking a discount commits to providing their child their own boat to use during STP (a boat may be shared by two children provided they are registered for different sessions)
- **BYC Office** (scott@byc.necoxmail.com) **must be notified via email by Friday, June 4, 2010.** In the email, the Member needs to identify the child(ren) receiving the discount and class(es) the child(ren) is(are) registered in.
- BYC will not charge members a storage fee for member-owned optimists provided they are being used by actively registered STP sailors. BYC reserves the right to charge members for optimist storage if optimists are being stored on BYC property during any other time. (i.e. if your child is registered for Sessions 2 & 3, BYC may charge the boat owner a storage fee during Sessions 1 & 4)
- Once discounted, BYC is no longer responsible for providing the discounted child one of its club optimists for the entire summer.
- Members will receive the discount as a credit on their monthly bill.
