From The Commodore

Summer is here and the Club is in full swing.

The June tent event was a wonderful night for all that attended. Many thanks should go out to Ray Simone, Jane Pear and the Social Committee for this spectacular bash. The Cox Series has been wet, but fun, with many races already completed. The Dana Rice building, which has just been freshened, and pool area, are very busy places to be with lots of laughter heard.

Women Teaching Women has grown by leaps and bounds under the direction of Lisa Culton and Teresa Sarli. There are already over 60 Members that have joined, with plenty of different activities being planned throughout the year.

Bob Anderson and the Membership Committee have been hard at work and we are happy to say, the Club is at full membership.

The Sail Training Instructors have been teaching the kids go fast techniques, and the Junior Committee, will keep the Club kids busy in the game room and on the sand lot. Last, but definitely not least, try not to miss Family Day this month. This is always a load of fun for the entire family. Many

Jim Myers, Chair**

I am writing this on the first day of STP this year. I hope by the time you read this the sun has come out.

We have a very full program. For perspective, two years ago we had 124 students during the summer. Last year we had 174. This year we are over 200. This has meant an increase in our power boat fleet, sail fleet and the number of instructors to maintain our instructor to student ratios. We are fortunate to have the club's board and staff to support our growing program.

Our race team will have a group of 4 coaches rotating days for the summer. We will have one coach on per day four days of the week. The remaining day will be for individual practice or a day of fun as needed. Our coaches are Amanda Callaghan, head coach of Roger Williams University. Ned Jones, most recently Northeastern University's head coach. Kathleen Tocke, head coach and program director of Rocky Hill School and Conanicut YC. A frequent coach of the F.A.S.T. Racing program & Hilary Wiech coach of St. Georges School. Our racers are in very capable hands.

We are also hosting 2 team race clinics this summer. This will be a great opportunity for our 420 sailors. Mugwumps starts on July 1st. Any member of the yacht club can participate regardless of whether or not they are in STP. We also have a fun class of adult and child 420s. Come out and give it a try.

I look forward to seeing you all at STP. I send out frequent emails to STP parents with images of the program. If you do not receive these please let me know and I will add you to the list.

School is out and summer is here so who cares if the sun comes out! Caroline Place has joined our staff as the new Junior Activities Director and both she and Miles Hughes have been hard at work getting the junior game room ready for the summer. It is open and ready for play! Drop by and say hello, they have are some fun things planned for the summer.

The Junior Opening was the 18th and in spite of the rain, everyone had a great time. Who knew you could eat an apple off a string "without using your hands"? Some special thanks go out to the volunteers who helped make the evening such a success. Commodore Karen North, Treasurer John Ratcliffe, Carolyn McGarry, Nancy Labelle, Teresa Sarli, Tanja Epps, Gus Kreuzkamp and Ned Curry; thank you all for corralling and feeding the masses!

Mark your calendars, Family Day is July 20th. We have some volunteers, but can always use more. Please let me know when you would like to help, alysiacurry@cox.net.

Friday Night Films joins Grill Night at the Yacht Club. The Junior Activities Committee is sponsoring movies under the tent on Friday evenings. We'll provide the movie, popcorn and lemonade, and a member of the Junior Activities staff. Parents will be asked to sign up for a 30 minute shift to help supervise the children (who will be housed under the tent where they can eat, drink and make noise!). This activity is open to all children whose parents are at the club enjoying grill night. The show will start at 7:30 PM.

Little Minnows starts on Tuesday July 7th at 10am, and will run Tuesday and Thursday mornings all summer. Little Minnows is a craft and game time for the pre-junior members, there is a \$2 per child charge and parents must stay in the Dana Rice area.

Whew, Junior Activities has been busy and is looking forward to a fun-filled summer. We are always looking for volunteers and activity ideas, call or email if you have any (time, ideas, suggestions). See you around the club!

Pleasant weather and a good turnout would accurately describe the Memorial Day weekend Spring Cruise to Wickford. There were 19 boats, all in slips, and 8 carloads that drove down for Sunday dinner. The appetizer contest, which has become traditional and cocktail party, took place late Saturday afternoon. What a treat! All the appetizers were very creative and taste good, too. Picking winners was difficult. No need to have had dinner that night after all those delights! Wickford Marina did a great job of hosting the Club. On Sunday night another spectacular meal was prepared and served at the Wickford Yacht Club by Tony Demers and John Ratcliffe. If you weren't there, you missed a great weekend.

As this is being written, the Summer Cruise just sailed toward Mystic with planned stops in Dutch Harbor and Watch Hill. The return leg will include a layover at Block Island and Bristol Harbor for the July 4th festivities in Bristol. I'm sure there will be pictures and stories in the next Line.

The 80 plus guest who attended the "Welcome Summer Bash" were treated to a home grilled meal of flank steak, chicken wings and freshly cut tuna along with vegetables. topped off with a berry bread dessert. Then the music of "Band of Brothers" performed in the main salon to the enjoyment of the assembled crowd. My thanks to Jane Pear for heading up this event in her usual fantastic fashion. Our next tent event will be the Lobster Boil on July 18 with the music being provided by the "Rippers". The Phillips and the MacIntyres are in charge of the festivities. Elsewhere in the Line will be more information and watch for blast emails and postings at the Club.
