FROM THE COMMODORE BOB ANDERSON

While the season is not quite over, it's increasingly obvious that most of the Summer hub-bub has subsided, and our dedicated staff members- Scott Nichols, Alex Johns, Roberta Sullivan and Doreen Ziccardi, along with the remaining stewards - are preparing the boats, the grounds and the Clubhouse for the pending Winter.

With September behind us, we have probably and thankfully avoided any serious hurricane-related weather for 2017, though our thoughts have so universally focused on fellow members, friends and the Caribbean/Florida residents overall who were so badly harmed by the two recent hurricanes. Acknowledging that their recovery will take years, a few BYC members have been discussing how we might make some logical contribution to the efforts of individuals in the Caribbean who face this challenge. Perhaps they will reach out to us more generally in the weeks ahead?

Early last month, our Cruisers enjoyed a very well attended event on Cuttyhunk (truncated for some of us by wild winds), and we are looking forward to one last snippet of Summer during the Columbus Day Cruise to the Newport Shipyard. ALL members and guests - by boat or by car - are encouraged to join us on the docks for cocktails and hors d'oeuvres, and maybe a walk to dinner in town.

Also just completed, was the 60+ boat 2017 Wallace "Bud" Humphrey Memorial Race, with light winds and unseasonably warm weather. And as of this past Tuesday, the Cox Series finished up a well-attended and ever-enthusiastic racing season. Our Race Committee has professionally tackled a constant stream of events. Unfortunately for us all, this year's committee has carried on in the shadow of the great loss we feel for Jean McIntyre, a most dedicated RC Member and BYC PRO, who unexpectedly passed earlier this season.

I want to personally thank all the members of the 2016-17 Board of Governors for their efforts in making our club so unique, and especially departing members Andrew Macaulay (Finance Committee Chair) and Chip Mitchell (Publications Chair) for their contribution this past year. At the upcoming Fall Meeting, the Nominating Committee Chair (Past Commodore David Materne) will propose the 2017-18 BOG slate for a Membership vote. This is a very important annual event, required in our By-Laws, and I hope that many of you can join us. The BOG Committee Chairs and the Treasurer will update the membership on our seasonal activities and our financial status thus far in the year.

Despite the unavoidable seasonal transition, I look forward to seeing you around the Club, as always.

RACE

MICHAEL REUTER, CHAIR

The race committee has been very active this summer and supported many events at BYC and around the region. As the summer ends and winter begins, we start the transition to cold weather sailing.

In the coming week, keep a look out for information in the Line and eblast about frostbiting and remote controlled sailing.

The Barrington Yacht Club Remote Control Sailing Squadron is in full race mode. Barrington Yacht Club is happy to host this new and expanding group of hardy winter sailing enthusiasts. Radio controlled sailing has returned to BYC! This energetic and exciting group has seen growing attendance for its first season. Where else can you get 15 races in on a Sunday morning in about an hour? If you're interested in coming out to join us, please email Bill Shaw (bill@neyacht.com) or Scott Bryant (sbryant3000@gmail.com) for further information.

The committee has been happy to run the Cox Series every Tuesday, the Thursday Evening Adult Racing Series, Ole Ladies Cup, 2 Person Race, Pret Gladding and Bud Humphrey Races. Please click [here](#) to view all results.

As my tenure as Race Committee Chair comes to an end, I want to thank my entire committee for their support over these 2 past seasons. Without the support of this committed group of club volunteers, we would not be able to run successful events year after year and week after week. In particular, I must give Leo Berendes special praise for his support and guidance.

As always, the race committee is in search of volunteers. No experience is needed and on the job training is always provided. Come out and enjoy a beautiful night on the water from one of our luxurious race committee vessels. Please email me if you are interested in joining us for a single event or the entire season.

CRUISE

BECKY CHWAK, CHAIR

Hello BYC!

Thanks so much to Steve and Debbie Thurston and Paul and Kathy Sanford for planning the Labor Day cruise. We had a fabulous Island BBQ dinner at the Fishing Club on Saturday night. Bonnie and her crew at the Fishing Club served approximately 80 adults and 40 children. Definitely a record!!!

It is hard to believe that the kids have been back to school for a month and it's now time to start thinking about the final cruise of the 2017 season. The Fall Cruise is going to be held at the Newport Shipyard over Columbus Day weekend, October 7-9. We will hold a Predicted Log and Working Sails race on Saturday, followed by a BYOB cocktail party at the outdoor pavilion at the Shipyard. On Sunday, we look forward to watching a football game and decorating pumpkins. Please sign up by visiting the BYC homepage at: <http://barringtonyc.com/>

Cheers,

Becky Chwalk
Cruise Chair
